May 2008

Sacramento, CA

The Parker Group announced today the addition of key personnel to their team and key benchmark in the continued growth of the firm.

Jim Quinney – Vice President of Operations

James "Jim" Quinney joins the team as Vice President of Operations. Jim has 22 years of experience in the industry. He has served in the capacity of agent, broker, carrier representative, MGA, and principal of his own firm. The last 17 years his focus has been solely in the worksite arena.

Mindi Casconi, Corporate Controller

Mindi joins the Finance & TPA Division and brings with her 28 years of insurance and accounting experience. She has served in the capacity of accounting manager for insurance wholesalers/MGA, retail health brokers, and benefit administration companies. The last 11 years while self employed she has been focused on servicing, developing, and training on national agency management software specializing in providing accounting services.

John Hynson, Account Executive Mid-Market

John assumes the Account Executive position in our Marketing Division with 15 years experience in worksite marketing. He has served as a District Manager, agent, and also served an accounting manager for two insurance agencies. John's entire insurance career has been focused in the worksite arena. His expertise represents a key direction in the entry and commitment to the small-mid market.
